

Bible Lessons on Devoting Yourself to God

March 17 Children's Lesson

How to Devote Your life To God

Objective: The children will learn how they can devote their life to God and what can happen when they do devote their life to God

Materials: Bible, scissors, paper, crayons, pencils, string

Lesson: Remind the kids of what devotion means and to remember what they came up with on how to dedicate their life to God. Read them the different bible verses. Start by reading 1 Thessalonians 4:1. Then tell them what it means to give up all things for God, how we need to be unselfish. If they don't know what that means explain it to them. Then ask how can we live for God and read 1 Thessalonians 5: 12-22. Discuss how they can live for God. Once you do that then ask them why is it fully hard to give up the things we want and give it all to God. When they answer read the bible verse 1 Thessalonians 5:23-24. Tell them we are only human and if we can't accept God into our lives then we cannot live for God. Lastly ask the kids how will our lives be different if we live our life for God. Then read 1 Peter 5:10, John 3:21, and Hebrews 12: 28-29. Discuss with the kids how we are not here on earth forever but we will be in heaven.

Activity: Get some paper large enough for the kids to trace their own foot. Have the kids cut out at least 2 sets of feet (4 feet). Then with string have them connect the feet together as if they are walking one after the other. This will represent the following in Jesus' footsteps and how we should follow him and live for God everyday. They can color their feet if they want and write on each one. Walking in Jesus' footsteps.
