

# Evangelism

## September 8 Children's Lesson

### Meaning of Evangelism

**Objective:** The children will learn and understand the meaning of evangelism.

**Materials:** Bible, paper, pencils, crayons, pipe cleaners, plastic cup

**Lesson:** Go over with the kids the meaning of evangelism. In Christianity, **evangelism** is the commitment to or act of publicly preaching (ministry) of the Gospel with the intention of spreading the message and teachings of Jesus Christ. God wants us to spread his word and bring others closer or to him. It is one of our callings and it doesn't matter how old we are we can spread God's word to anyone. Some bible verses to read are John 3:3, 3:16. Ask the kids what are some ways they can spread God's word and start evangelism.

**Activity:** Have the kids use a plastic cup and pipe cleaners to make a mega phone and glue the bible verse Mark 16:15

You can also have the kids make different lists on how they can spread God's word, how they can evangelize others. Make a to do list or a goal for them to make. See if they can reach their goals and help them find different ways to reach it.
